Energetic Patterning
and Clinical Applications

UNIT 2

Australian Foundation for Healing Touch Inc
www.healingtouch.org.au

Healing Touch is a relaxing, nurturing energy-based therapy that uses gentle touch to assist in balancing physical, mental, emotional, and spiritual well-being. It is used in a variety of settings including hospitals and private practice.

Unit 2 – Energetic Patterning and Clinical Applications[®]

This course continues on from the Unit 1 Foundations of Healing Touch[®] course to increase the learner's understanding of Healing Touch. It includes instruction in designing and implementing an intake interview plus developing techniques and healing sequences for specific client needs. See healingtouch.org.au for more information. To register go to trybooking.com/eventlist/AFHTI.

Instructors

AFHTI courses are led by Certified Healing Touch Instructors, who are highly trained and bring their own clinical experience to provide learning/treatment context.

Practical Instruction

Instruction is both theoretical and practical, allowing students to learn treatment procedures on each other (under supervision).

Course Objectives

The learner will be able to:

- Remain grounded, present, and heart-centred while working in the energy field
- Conduct an intake interview
- Consider the impact experiences have on health
- Assess the status of the chakras and biofield
- Document Healing Touch processes
- Apply techniques to support back health
- Describe how the Code of Ethics, Standards of Practice and Scope of Practice relate to their development as a Healing Touch Practitioner.

Recognition of Learning

Australian Traditional Medicine Society (ATMS) and Australian Health Practitioner Regulation Agency (AHPRA) recognise AFHTI courses with Continued Professional Development points.

AFHTI Membership

Course graduates may apply for AFHTI membership.

Becoming a Practitioner

Successful completion of Units 1-5 plus current AFHTI membership is required to become a Certified Healing Touch Practitioner.
