

BECOME A HEALING TOUCH PRACTITIONER

UNIT 5 – Self Evaluation and Professional Development®

Self Evaluation and Professional Development

UNIT 5

Australian Foundation for Healing Touch Inc
www.healingtouch.org.au

Healing Touch is a relaxing, nurturing energy-based therapy that uses gentle touch to assist in balancing physical, mental, emotional, and spiritual well-being. It is used in a variety of settings including hospitals and private practice.

Unit 5 – Self Evaluation and Professional Development[®]

This course continues to prepare participants to become Certified Healing Touch Practitioners and to enhance skills and knowledge through lectures, recommended readings and practice sessions. Completed mentorship activities are reviewed and evaluated. Students also identify activities that may help them grow in their practitioner role. See healingtouch.org.au for more information on Healing Touch courses and certification. To register go to trybooking.com/eventlist/AFHTI.

Course Duration/Location

24 hour residential course, set over 4 days; for dates and locations see healingtouch.org.au/course-schedule.

Entry Pre-requisites

Completion of Unit 4 course plus practice and assessments.

Course Fees*

\$590 full course fee
 \$540 current member fee
 \$440 concession – ID required
 \$280 course repeater

Accommodation and meal costs are additional to course fees and vary by location.

* see website and Trybooking course registration for terms & conditions

Payment

Payment can be made online with your registration or as arranged with the Course Coordinator.

Requirement for Completion

- Attendance at all course and practice dates as agreed with Instructor
- Completion of written work as assigned by Instructor.

Course Objectives

The learner will demonstrate competency as a Healing Touch Practitioner through the critique of completed coursework and techniques demonstration.

The learner will be able to:

- Analyze personal strengths, challenges and growth opportunities related to the practitioner role
- Evolve in the role from student to Healing Touch Practitioner
- Present a professional profile notebook and resume
- Complete and present a comprehensive Healing Touch case study for peer review
- Present documentation of client sessions
- Review the mentorship process
- Discuss Healing Touch research and the implications for practice
- Describe the practicum process and challenges
- Describe Certification as a Healing Touch Practitioner.

Becoming a Practitioner

Unit 5 graduates who are also AFHTI members may apply to become a Certified Healing Touch Practitioner (CHTP).

The certification process is administered through Healing Beyond Borders, with all applications reviewed by the Healing Beyond Borders Certification Board.

Career Opportunities

CHTPs may practice in their own clinic or provide treatment in conjunction with other health professionals.

The AFHTI Practitioner Representative in your State can provide support and guidance – see the Members section of the website for contact details or email info@healingtouch.org.au.

Inspiring wellness through energy therapy
