

BECOME A HEALING TOUCH PRACTITIONER

UNIT 4 – Case Management and Professional Practice®

Case Management and Professional Practice

UNIT 4

Australian Foundation for Healing Touch Inc
www.healingtouch.org.au

Healing Touch is a relaxing, nurturing energy-based therapy that uses gentle touch to assist in balancing physical, mental, emotional, and spiritual well-being. It is used in a variety of settings including hospitals and private practice.

Unit 4 – Case Management and Professional Practice[®]

To align with the responsibilities of professional practice, this course is a practicum in which case management is implemented and multiple Healing Touch sessions are delivered over a period of time. Business concepts and logistics for establishing a Healing Touch practice are explored, along with two new techniques and preparation for Unit 5. See healingtouch.org.au for more information on Healing Touch courses and certification. To register go to trybooking.com/eventlist/AFHTI.

Course Duration/Location

24 hour course, set over 3-4 days; for dates and locations see healingtouch.org.au/course-schedule.

Study Mode and Materials

Face-to-face learning. Workbook materials will be supplied; bring a pillow and light blanket.

Course Fees*

\$590 full course fee
 \$540 current member fee
 \$440 concession – ID required**
 \$280 course repeater

** Concession available for full time student or Commonwealth Health Care Card holder

If residential, accommodation and meal costs are additional to course fees and vary by location.

* see website and Trybooking course registration for terms & conditions

Payment

Payment can be made online with your registration or as arranged with the Course Coordinator. Payment must be made in full prior to course commencement.

Entry Pre-requisites

Attendance at Units 1, 2 and 3 plus completion of designated practice and assessments.

Instructors

AFHTI courses are led by Certified Healing Touch Instructors, who are highly trained and bring their own clinical experience to provide learning/treatment context.

Practical Instruction

Instruction is both theoretical and practical, allowing students to learn procedures on each other (under supervision).

Course Objectives

The learner will be able to:

- Apply a meditation to clear and raise energetic vibration
- Create individual sequential Healing Touch sessions
- Explore a variety of methods for practicing Healing Touch
- Work professionally with other healthcare providers
- Describe the practicum process
- Apply the Code of Ethics, Standards of Practice and Scope of Practice.

Recognition of Learning

Australian Health Practitioner Regulation Agency (AHPRA) recognise AFHTI courses with Continued Professional Development points.

Becoming a Practitioner

Unit 4 graduates may begin the process to become a Certified Healing Touch Practitioner. Healing Touch Certification is administered through Healing Beyond Borders with all applications reviewed by the Healing Beyond Borders Certification Board.

Further AFHTI learning Unit 5 – Self Evaluation and Professional Development[®]

Completed mentor activities are reviewed and evaluated to assist the progression from student to Certified Healing Touch Practitioner.

Inspiring wellness through energy therapy
