

Australian Foundation for Healing Touch Inc presents

Animal Healing Workshop

annis parker

ANIMAL HEALER & TEACHER

Course Objective

Participants will be able to:

- Learn how to view animals from a broader perspective and better understand their inherent knowledge
- Use a pendulum to reveal the **animals' energy structure** and recognize deviations
- Discuss and select appropriate techniques to rebalance the animal to enhance injury healing and promote wellness

DOGS—SAT August 6th
HORSES—SUN August 7th
8.30—4.30pm
Come one or both days!

Location: near Kuranda-45 mins from Cairns

FREE pre-workshop information evening to be held on Friday August 5th to provide an overview of the energy structure of humans and animals, and introduce energy healing concepts. Some animals available on-site, or you can bring your own ...
